## **Professional Summary:**

"A passionate educator with a master's in Mathematics motivated to the task to teach mathematics as a fun and crucial subject. Proficient in softwares and computer languages such as Python, JavaScript, CSS, HTML, MS Excel, MS Access, Visual Basic etc. I like to conduct my lectures with worksheets created on PowerPoint, games created through js and icebreaker conversational videos with students using Plotagon. I started my teaching journey as an outreach/volunteer teacher at YMCA followed by working part-time as a coding instructor online since August 2020. My passion for teaching and outstanding knowledge in mathematical concepts led to me being appointed as an Assistant Professor at KJ Somaiya College Of Science and Commerce in January 2022 where I teach Mathematics and Computer Programming to undergraduates."

## **Professional Experience:**

Assistant Professor KJ Somaiya College Of Science and Commerce January 2022 - Present

- Teach graph theory and polynomials to first year undergraduate students along with tutorials.
- Teach Computer Programming and Applications to second and third year undergraduate students along with practicals.
- Develop and deliver course materials, including lectures, assignments and conducting tests and exams.
- Provide academic support and mentorship to students.
- Member of feedback, website and parent/teacher meeting committees.

# Online Tutor

WhiteHatJr/Byju's Future School

August 2020 - Present (Part-time)

- Teach computer coding to Advance and Professional students along with mathematics for Grade 5 and 6 using Common Core Standards.
- Grade quizzes, tests, homework and projects to provide students with timely academic progress information and feedback.
- Collaborate with parents to increase comprehensive and long-term success.

## Volunteer

The Wishing Factory, November- December 2018

- Helped TWF to organize social awareness campaigns for thalassemia patients.
- Organized an awareness exhibition at NCPA, Churchgate.
- Organized an excursion tour of Chhatrapati Shivaji International Airport, Mumbai for thalassemia Patients.

- Tutored struggling students individually and in small groups to reinforce learning concepts.
- Assisted my colleagues with classroom management and document coordination to maintain a positive learning environment.
- Promoted physical, mental and social development by implementing classroom games and outdoor recreational activities.

### **Education:**

Master's in Mathematics University of Mumbai 2019-2020

- Thesis: Pruffer sequence in structured Covid-19 models.
- Graduated from K.J. Somaiya College of Science and Commerce (Autonomous) 8.52/10.00 (CGPA)
  "A" GRADE.

Bachelor's in Mathematics University of Mumbai 2016-2019

- Dissertation: Minimization of railway noise for residences and offices.
- Elected to Coordinator for Assistance Judges, Malhar in 2018-19.

### Skills

- **Technical Skills**: Python, JavaScript, Web Development, Game Development, CSS,HTML, MS Excel, MS Access, PowerPoint, ReactNative.
- **Mathematics Skills**: Advanced Mathematics, Problem-Solving, Statistical Analysis, Data Visualization.
- Teaching Skills: Curriculum Development, Lesson Planning, Student Assessment.
- **Soft Skills**: Communication, Adaptability, Mentorship, Teamwork.
